Our 34th Year!

This Month's Meeting: ***January 26, 2013, 1:30 pm***

***In the terminal lobby at the Wausau Airport
after the Chili Fun Day.***

I usually send the newsletter out one week before the meeting, but this month's meeting is later this time, so the newsletter is actually going out four weeks before the meeting. I will send out a short reminder one week before the meeting.

Come to the Chili Fun Day, enjoy a bowl of chili, chat with your friends, and stick around for the meeting. We will install our new chapter officers, plan our meeting dates and locations and activities for 2013.

**Last month's meeting minutes:
EAA CHAPTER 640, HAYMEADOW FLYERS
Combined Chapter Christmas Party with EAA UL Chapter 75
Merrill Airport
December 8, 2012**

Meeting: There was no real meeting at the Combined Chapter Christmas Party with EAA UL Chapter 75, The North Central Wisconsin Lite Flyers, but there was an abundance of food and desserts that were brought in by members for the potluck lunch. Approximately 100 members and guests attended the party. UL Chapter 75 President, Steve Krueger welcomed everyone, wished us all a Merry Christmas

and Happy New Year, and made a few announcements. EAA Chapter 640 Secretary/Treasurer Syd Cohen announced that everyone is invited to a special presentation by Jessica Cox, the world's first armless pilot on February 18 at the Wausau Airport. (See details below.)

You are invited to a special event!

7 pm, February 18, 2013. Mark this time and date on your calendar. This is when Jessica Cox, the world's first armless pilot, will speak to members and guests of both EAA Chapter 640 and EAA UL Chapter 75. Keith Kocourek, the car dealer is funding Jessica's visit to the Wausau area Feb. 18 and 19, where she will speak to the students of Wausau East High School, Newman Catholic High School, Wausau West High School and Mosinee High School. She has consented to do a presentation for our EAA chapters as well. Jessica, (born 1983 in Arizona) is

as most people use their hands, she is able, among other things, to drive a car (she has an unrestricted license and drives a car without modifications), to type on a keyboard (25 words per minute) to pump her own gas, and to put in and remove her contact lenses. She is also a certified SCUBA diver. Cox

holds a Bachelor's degree in psychology from the University of Arizona and works as a motivational speaker and has spoken in 17 different countries. Jessica will be speaking in the large heated hangar just west of the Wausau Airport Terminal building.

the world's first armless pilot, as well as the first armless black-belt in the American Taekwondo Association (she now has two black belts in Taekwondo.) She was born without arms due to a rare birth defect. She earned her Sport Pilot license on October 10, 2008, after three years of training, through an Able Flight scholarship. Jessica now flies her own Ercoupe. She has not used prosthetic arms since she turned 14. Using her feet
